

How it works...

If you or a family member were to need help for any type of emergency; police, ambulance, fire, or just someone close by to come help you — **all you have to do is push the button** on the waterproof pendant.

Pushing the button activates the console which we install in your home. It's that simple.

Once activated, the console will dial to a national monitoring station which is staffed 24 hours a day, 7 days a week. Within 1 minute one of our highly trained operators will speak to you **through the console** and ask if you need help.

The operator can hear you anywhere in your home. You merely speak in the air and tell them what you need.

The operator will then call the right type of assistance to your home, even if you cannot get to a telephone.

Frequently Asked Questions

Should I wear the pendant at night or when I am bathing?

Absolutely! We encourage you to always keep the pendant on. Should you fall out of bed or slip in the tub, you can get help.

What if I push the button by mistake?

When the operator asks if you need help, simply tell them you are ok.

Do I talk into the pendant?

No. The only thing the pendant does is activate the console.

What if the operator cannot hear me?

Once the signal is received, someone will check on you to make sure you are ok, even if the operator cannot hear you.

What if the power goes out?

Your Personal Response System has a rechargeable, back-up battery that provides uninterrupted service.

Do I have to test anything?

This equipment will test itself every week. We encourage you to test it whenever you want for your own peace of mind.

Maintain your freedom and independence

Do I need to sign a long-term contract? No! You can try it for a day or keep it for years. There is no charge for deactivation.

How long does it take to install? It only takes 20-30 minutes to install and to test the equipment.

How soon can someone come out to hook one up?

We can come out within 1 working day of your request, or at your convenience.

Peace of mind for you & your loved ones
